

**EcoFresh® Pet Odor Spray**  
**Eliminate odors, don't mask them.**

- Use on dogs, cats, kittens, puppies, horses, hamsters, ferrets, gerbils, and other animals.
- Deodorizes bedding, cages, kennels, and crates.
- Freshens cat litter.
- Contains plant oils and extracts.

# Pet Odor Spray

**Fresh-n-Clean**  
*Scent*

## *Spray. Comb. Done.*

**DIRECTIONS FOR USE:**

Shake well before use. Open sprayer to "on" position.

**Animals** - Spray or mist on the pet's coat. Use deodorizer by liberally spraying or misting animal until damp. Comb or towel dry. Use as a bath or a rinse, pouring directly onto animal's coat and messaging with fingers. Rinse with water, comb and towel dry. Can be used on anal glands and other sensitive areas.

**Pet cage floors** - Spray liberally to saturate surface until wet. Let dry or towel dry if surface is shiny or glossy.

Repeat applications as needed.

**Ingredients:** Ultra-pure water, essential oils and extracts, coconut based emulsifier

**CAUTION:**

**KEEP OUT OF REACH OF CHILDREN**

Do not mix this product with bleach or other cleaning agents, soaps, or shampoos. In case of eye contact, flush with water. **For External Use Only.**

**FIRST AID:** Call a poison control center or doctor immediately for treatment advice.

**Poison Control Center: 1-800-222-1222**

**STORAGE:** Store in a cool, dry place.

**DISPOSAL:** Rinse container with water and place in trash or recycle.
